Subject: Request for Exemption of Disciplinary Fine

Respected Sir,

I humbly submit this application seeking your kind consideration regarding the disciplinary fine of ₹17,000 currently pending against me.

Sir, I sincerely acknowledge the mistakes that led to disciplinary action in the past. However, I would like to respectfully submit that I have made significant efforts to improve myself, both personally and academically, since then. Over the last year, I have maintained a disciplined record and have not been involved in any further incidents.

I would also like to bring to your kind notice that for the same disciplinary matter, I was initially imposed a fine of ₹10,000 along with a one-year suspension. Subsequently, an additional fine of ₹5,000 was imposed in relation to the same case. Therefore, my family has already borne a financial burden of ₹15,000 arising from that incident. Along with the emotional stress of the suspension period, this placed considerable hardship on my family.

During that period, my parents had to travel from our home to the institute on three separate occasions. One such journey was particularly difficult due to road disruptions on the Jammu–Srinagar route, causing significant inconvenience and additional expenses. Furthermore, I had to register for multiple backlog subjects and work hard to clear them, which cost approximately ₹7,000 in examination and registration fees.

Sir, throughout this period, I have continuously tried to reform myself and remain focused on my studies. I have regularly visited your office every 10–15 days for counselling, guidance, and confirmation of my progress. Your advice and encouragement have played an important role in helping me improve my conduct and get my academic career back on track.

Today, as I approach the completion of my B.Tech degree, I can confidently say that I have learned from my mistakes and have made sincere efforts to become a responsible student. Considering my improved conduct, academic progress, the financial difficulties faced by my family, the expenses already incurred due to previous penalties and backlogs, and the fact that no disciplinary issue has occurred during the past year, I humbly request you to kindly exempt me from the pending fine of ₹17,000.

I assure you that I will continue to uphold the discipline, values, and reputation of the institute and will always strive to be a responsible representative of NIT Srinagar.

I shall remain deeply grateful for your kindness, understanding, and favourable consideration of my request.

Thanking you.

Yours sincerely,

Vardan Pal
